

Moving Up & Down

Scrolling down the menu when reordering can be done in two ways:

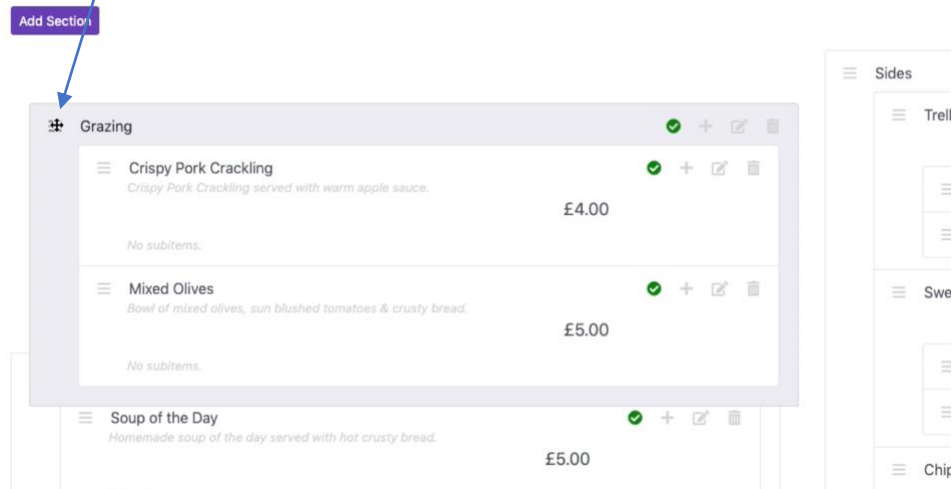

1. If you're using a normal mouse, you can use the scroll wheel:

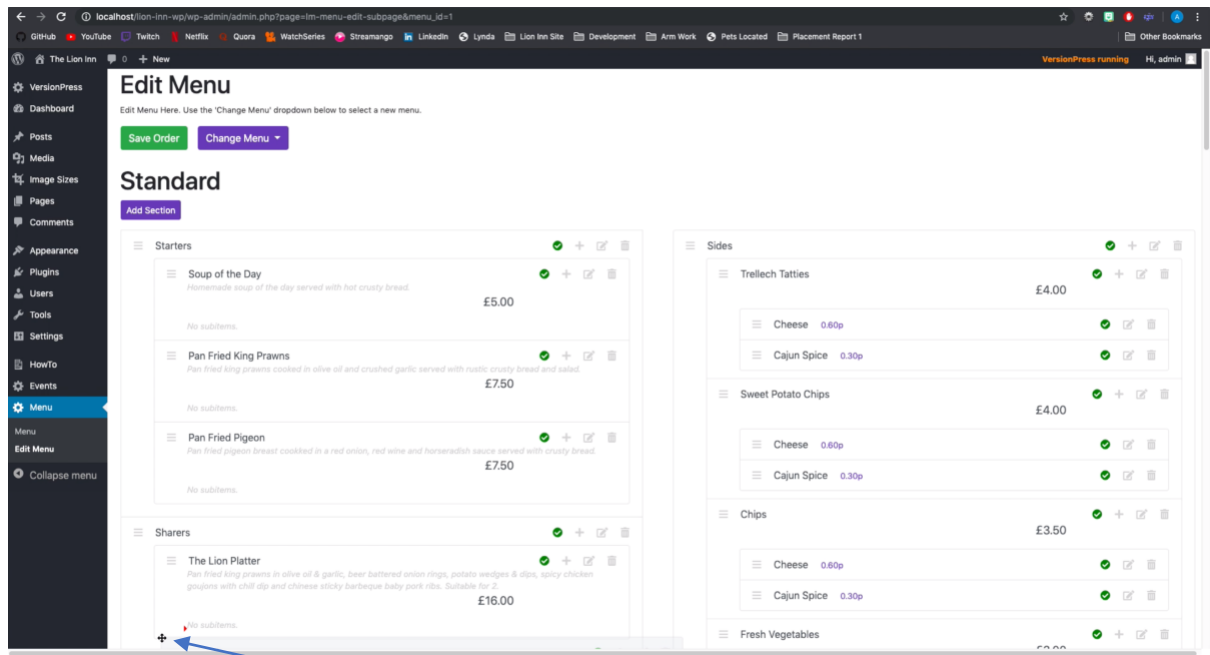

2. If you're in a laptop, you can 'pick up' a menu item, and then move the cursor to the top or bottom of the screen to scroll:

Pick up an item:

Standard

Then move your mouse to the bottom of the screen. The page should slowly start scrolling down. Similarly, moving your mouse to the top of the page will scroll up.
