To change the image, click 'Select Image'. You should see this:

Select a new image (a blue box around it) and click the 'Select' button:

You should return to this screen:

A screenshot of a web application window titled "Edit Event". The form contains several input fields: "Event Name" with the value "New Event", "Event Start Date" with the value "01/06/2019", and "Event End Date" with the value "04/06/2019". Below these is a row of checkboxes for "Single Day Event" (unchecked) and "Publish" (checked). To the right of the "Publish" checkbox is a blue button labeled "Select Image" followed by the text "xmas-stock.png". A blue arrow points from the text "Note that the image name has changed." to this text. Below the checkboxes is a "Description:" label and a rich text editor with a toolbar containing icons for bold, italic, underline, text color, link, unlink, bulleted list, and code. The text area of the editor contains the text "We changed our event!". At the bottom right of the form are two buttons: a grey "Reset" button and a green "Edit" button. A blue arrow points from the text "Click 'Edit'." to the "Edit" button.

Note that the image name has changed. Click 'Edit'.

Click the event to see the image has changed as well:
