

## Moving Sides (Left & Right)

As mentioned before, sections, items and subitems can be moved across sides as well.

Sections can be moved in two ways:

1. Using the edit modal by clicking the 'Edit Icon', selecting the side and clicking 'Save':

2. By moving the section across using the drag-and-drop reorder:

Pick up the section:

## Standard

The screenshot shows a menu editor interface. On the left, a purple button labeled 'Add Section' has a blue arrow pointing to a section titled 'Grazing'. This section contains three items: 'Crispy Pork Crackling' (£4.00), 'Mixed Olives' (£5.00), and 'Soup of the Day' (£5.00). Each item has a green checkmark, a plus icon, an edit icon, and a delete icon. To the right, a sidebar titled 'Sides' lists 'Trell', 'Swe', and 'Chir'.

Drag across to the desired side and drop where desired:

The screenshot shows the 'Edit Menu' interface. At the top, there are buttons for 'Save Order' and 'Change Menu'. Below, the 'Standard' section is highlighted with a blue arrow pointing to a plus icon. The 'Standard' section contains three items: 'Soup of the Day' (£5.00), 'Pan Fried King Prawns' (£7.50), and 'Pan Fried Pigeon' (£7.50). To the right, the 'Sides' section is visible, containing 'Cheese' (0.60p), 'Cajun Spice' (0.30p), and 'Chips' (£3.50). The 'Grazing' section is also visible, containing 'Crispy Pork Crackling' (£4.00), 'Mixed Olives' (£5.00), and 'Sweet Potato Chips' (£4.00).
